

Duhamel Watershed Society

We take care of the water
The water takes care of us

presents a

Community Forum

Ecole des Sentiers-Alpins 2780 Highway 3a
(used to be AI Collinson Elementary School)

Tuesday, Nov. 15th, 2016

6:30pm – 8:30pm

*Join us for this rare opportunity to hear and learn from world renowned author,
ecologist, educator and pioneer of ecosystem based conservation planning*

Herb Hammond

**“The Relationship of Forests and Water
- a Symbiosis Vital for Life”**

You will leave with hope and enthusiasm

This program is funded by: Columbia Basin Trust, RDCK - Area F, Fish and Wildlife Compensation Program and
